Abu Dhabi Investment Authority Publishes 2022 ADIA Review

Abu Dhabi, UAE – 10 October 2023

The Abu Dhabi Investment Authority (ADIA) today published its 2022 ADIA Review, providing a thorough overview of its activities over the past year and outlook for the year ahead.

Established in 1976, ADIA is a globally-diversified investment institution that prudently invests funds on behalf of the Government of Abu Dhabi through a strategy focused on long-term value creation.

The 2022 ADIA Review includes a detailed analysis of market conditions across the many asset classes in which we invest and significant developments within each of our investing departments.
